AWARDS

Excellence Entry Scholarship

09/2014

- University of Calgary

CO-CURRICULAR PROGRAMS

Tesla Club University of Calgary

12/2016

- Our team built a fully functioning controllable robot that can perform multiple tasks in three days.

Kaleidoscope Program

02/2017

- Spent a week fully immersed in some of the cultural and religious diversity Calgary has to offer. Learned about religious diversity, delved into case studies related to religion in the public sphere, and cultivated skills in interacting across lines of difference.

Volunteering

Calgary Arab festival | Yemeni Tent Volunteer
